

Dear Supporter,

I pray this letter finds you well. My name is Amber Foster and I'm the director of this year's MK (missionary kid) Camp in Honduras. I just wanted to invite you into this opportunity to really pour into your missionary family, especially into their youngest members. Our missionary families are only as healthy as their weakest member and strengthening the emotional health of the children strengthens the entire family. Most missionary kids do not live in close proximity with other MK's and often feel isolated on the mission field. MK Camp provides them with the opportunity to form friendships and grow deep bonds with other kids who uniquely understand the struggles they are going through.

The MK Camp programming is specifically geared to help the children of missionaries grow spiritually, process the many changes they are going through, and develop relationships with other missionary kids. The cost of this week long camp is \$150. MK Camp is a not for profit organization run by missionaries and volunteers. All camp costs go toward the campers food, lodging, activities, and canteen snacks. \$150 is relatively low for camp in comparison to other week long camps but can be hard for missionaries on a fixed budget to come up with, especially when they have multiple children.

Please check out our website at www.mkcamphonduras.org for more information and consider providing the funding for your MK's to attend camp this year. You can contact me at mail@mkcamphonduras.org, or call me at 011-504-9918-0950. You can donate directly through your missionary family, the donate button on our website or you can donate at: www.paypal.me/mtmhonduras. With online donations, please include with a note marking it for the family's name and MK Camp.

Make checks payable to:

Melbourne Church of Christ

810 Hollywood Blvd

West Melbourne, FL 32904

Note: MK Camp and family's name in memo line.

Sincerely,

Amber Foster
MK Camp Director
